The Headquarters Hotel is: Gainesville Cabot Lodge (352) 375-2400.

Curfew for students is 11:30 PM Sunday evening and 11:45 PM Monday evening; all students can be reached in their rooms through the hotel switchboard after curfew times. Also, messages can be left for students at the front desk. Students will need a phone card in order to make long distance calls from their hotel rooms.

Clothing:

There will be a great deal of walking on campus, so we caution all to wear comfortable, low-heeled shoes (especially on Monday). Winter temperatures in Gainesville may range from the high 70's to the lower 30's. Rain is a distinct possibility; bring an umbrella and/or raincoat to be prepared for rainy weather. (Check the Weather Channel before leaving home!) We ask that participants be neatly dressed (good school clothes) at all times during the symposium. The Monday night banquet/humanities presentation is usually considered to be the most dignified of the scheduled events (semi-formal: jacket and tie for males, dresses or semi-formal gowns for females).

Student Speakers are asked to dress up (dress slacks, shirt and tie for boys; dresses or suits for girls) for the Opening Ceremony on Sunday night.
