“TAKING IT BACK TO THE CLASSROOM”

We know that it's not always possible to develop and implement a brand new lesson plan in a busy curriculum. How do you envision incorporating our experiences in your classroom teaching?

Idea 1

- Create an infographic (canva.com)
- An image tells a story because every picture
- Write a formula, equation
- Write an ode (pick an element)

Learning Goals/Standards

Idea 2

Find/take pictures and create hashtags

Learning Goals/Standards

Idea 3

Create a poster, PSA, commercial advertising about environmental concerns and awareness (art project)

Learning Goals/Standards

Idea 4

Create a satirical comic strip (3-4 vignettes)

Include historical & political characters

Learning Goals/Standards

Idea 5

Write a synopsis for a film or a book, documentary or fiction

Learning Goals/Standards

Idea 6

Research on environmental policies & learning methods and ways of natural resources around the world and other wheres

Learning Goals/Standards

What additional resources do you need in order to act on these ideas?
