

HUMANITIES AND THE SUNSHINE STATE

TEACHING FLORIDA'S CLIMATES

In partnership with the Florida Humanities Council

JUNE 15-29, 2018 UNIVERSITY OF FLORIDA

“TAKING IT BACK TO THE CLASSROOM”

We know that it's not always possible to develop and implement a brand new lesson plan in a busy curriculum. How do you envision incorporating our experiences in your classroom teaching?

Teacher(s): Adeena Teres

Idea 1

Create your own political cartoon. Students will pick a topic in climate change and create a school appropriate cartoon.

Learning Goals/Standards

Idea 2

Pebble Project: Pick one thing in your life you can do or a habit you can change which will help mitigate climate change

Learning Goals/Standards

Idea 3

North and South Florida Climate Change Comparison. Compare the difference in climate between N and S FL. Looking at the climate plants and animals. Looking for finding plants and animals associated with south FL's climate being found in N. FL
