Create an Alphabet Book

Resources/Materials:
- Text book
- Dictionaries
- Encyclopedias
- Paper
- Pencil
- Crayons
- http://www.readwritethink.org/materials/alphabet/
- Internet
- Computer

Activities and Procedures:
1. Student will select a Unit to Review
   a. Unit 1: The Chemistry of Life
   b. Unit 2: The Cell
   c. Unit 3: Genetics
   d. Unit 4: Mechanism of Evolution
   e. Unit 5: The Evolutionary History of Biological Diversity
   f. Unit 6: Plant Form & Function
   g. Unit 7: Animal Form & Function
   h. Unit 8: Ecology
2. Select At least two key terms for each letter of the alphabet from the unit.
   a. Do research, if need be, to find the core words for the unit.
      Brainstorming could be done for this.
3. For Each term
   a. Create a sentence for the page that includes a noun, verb, adjective and adverb plus other words if wanted. Brainstorm and do research to find these.
   b. Define the term
   c. Design a page for the book putting as many pictures or audio of items beginning with that letter as appropriate plus the sentence and definition.
   d. Possible Format
      i. Composition Book
      ii. Student Made book
      iii. PowerPoint
      iv. Web Page
      v. Movie
      vi. Audio
4. Alphabet Book Exchange
   a. Exchange the alphabet book with another student.
   b. Write things you liked and suggestions for improvement.
